

VOLVO 122

VOLVO 122

The Volvo 122 is a smart and truly representative five-seater car with outstanding roadability, excellent speed resources and extremely comfortable fittings. The standard equipment on the Volvo 122 includes: heater-defroster system with fresh air intake, padded dash and sun visors, two-speed electric windshield wipers, nozzles for windshield washers, disc brakes on front wheels, attachments for safety belts on front and rear seats, cigarette lighter, white sidewall tires and a 12-volt electrical system. Hypereffective rust-proofing.
